

Enhanced Packaging Capabilities

Kagome now has the capability to offer dip cups for your sauce and dressing needs. Whether your business is ready-to-eat meal kits, or individual snack packs for on-the-go consumer lifestyle we have the solution. Our easy open dip cups are shelf-stable, portion controlled and ideal for individual use and convenience.

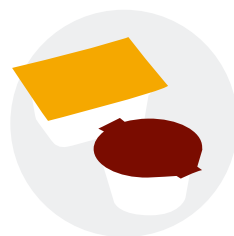

Brand Your Packaging

Add your custom design and logo to any of our portion-control dip cups.

Versatile Packaging Solutions

Shelf-stable, portion controlled, or easy opens for your end consumer, our packaging solutions offer you flexibility, efficiency, and more. We offer private label and co-packing capabilities to help reinforce your brand's identity, and our custom portion-control dip cups are digitally printed using high-quality films, giving your brand a premium look and feel!
