A top-down view of a table with various food items. In the top left, there's a blue tray with wings and a metal tray with red sauce. In the top right, a white tray contains wings, carrot sticks, and celery. In the bottom left, another tray of wings is visible. In the bottom right, a white tray has fries. Several small bowls of dipping sauces are scattered around. The text "...to so much more!" is centered in the middle of the image.

Icings

Our custom icings provide a burst of flavor and sweetness to any baked or fried product. Our food scientists can custom develop to your specifications: no artificial colors or flavors, only natural sweeteners, and/or Halal suitable.

Popcorn Cheese & Pan Sprays

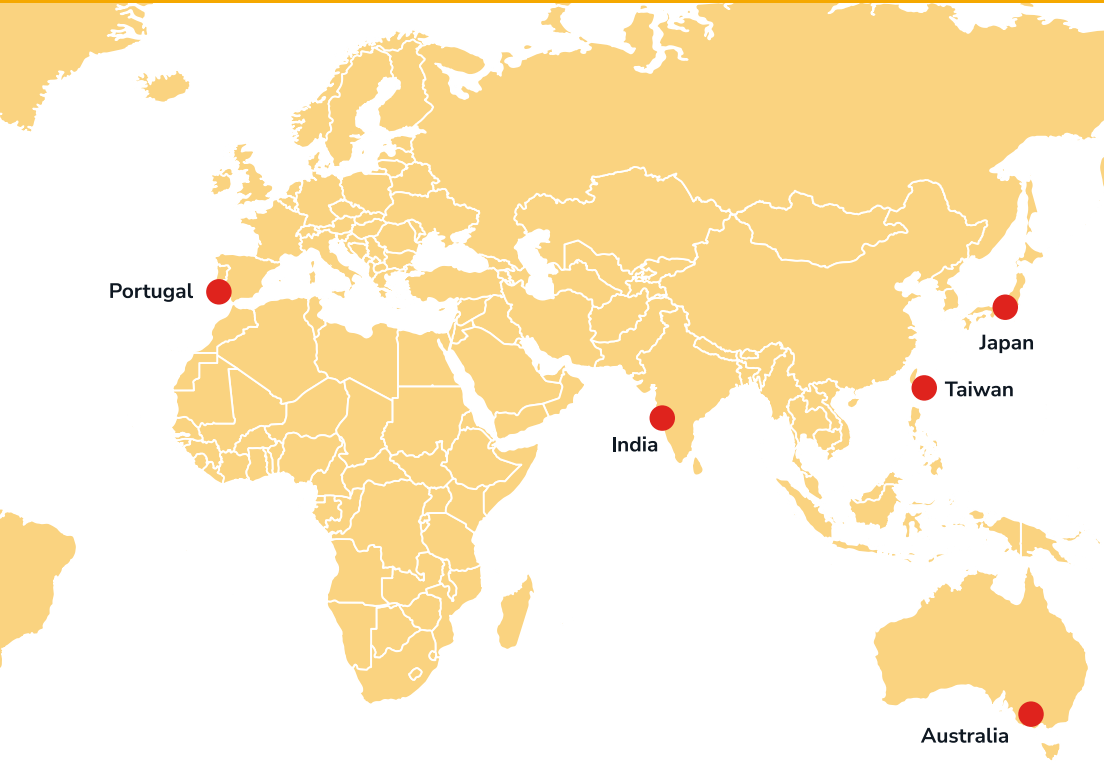

Farm Gold Popcorn Cheese evenly coats every kernel with flavor; while our pan sprays allow your food to cook perfectly without sticking to the pan or grill.

Global Collaboration

With products distributed to over 50 countries and headquarters located throughout the world, partnering with Kagome means teaming up with a global leader. Whether you need premium tomatoes, signature sauces, or innovative menu concepts, Kagome is your trusted partner every step of the way.

Custom Saucy Creations

As your trusted supplier, we specialize in creating personalized sauces, oils, and buttery spreads tailored to your specifications. Led by our devoted chef, we continuously strive to innovate and surpass flavor expectations, tailoring our creations to meet your distinct needs.

Leveraging over a century of culinary wisdom, Kagome blends natural ingredients with state-of-the-art methods to produce indulgent sauces, spreads, and toppings. Renowned for our commitment to crafting culinary wonders, we ensure that our flavors transcend expectations.

Small Seed, Huge Impact

Food is our passion. We believe every bite should be savored, every last drip celebrated. That even the smallest plant can make the largest impact.

This is our purpose — to create, drive culinary trends, and confidently guide consumers from seed to table.

Planting the Seeds Early

We work with our customers to share our stories and passions while developing demand for our products and theirs.

Farming Fresh Produce

By partnering with local and experienced farmers, we support the growth of a colorful variety of fruit and vegetable products.

Producing Purposely

Our processes use advance technology and are under stringent quality controls to create exceptional products.

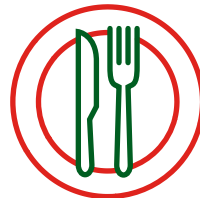

Cultivating Innovations

With over 7,500 varieties of tomato resources, we continuously create and expertly crossbreed seedlings to supply a truly competitive edge.

Preserving Flavors

We only source the best raw materials to produce great tasting ingredients and recipes at every stage of development.

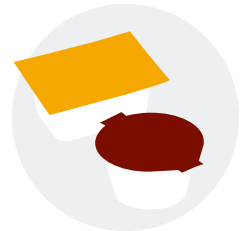

Harvesting Sustainably

We commit to a sustainable tomorrow by implementing practices and improvements to our manufacturing facilities.

Versatile Packaging Solutions

Our packaging solutions provide flexibility, efficiency, and convenience for your customers. We offer private label and co-packing options to strengthen your brand identity. Our digitally printed custom portion-control dip cups give your brand a premium appearance.
